RE: Radioactive Waste License-for-Delivery

Mr. Button:

Attached to this letter is your Tennessee Radioactive Waste-License-for-Delivery number T-TN024-D21 issued with an expiration date of April 1, 2021.

Your license was issued with this expiration date, because a Certificate of Liability Insurance was presented to the Department with an expiration date of April 1, 2021. If you provide an updated Certificate of Liability Insurance for the entire calendar year of 2021 before your license expires, your license will be amended to reflect a new expiration date for the entire calendar year of 2021.

If a new certificate is not presented to the Department in a timely fashion, your license will expire on the above mentioned expiration date.

If we may be of further assistance, please feel free to contact me at (615) 532-0364.

Sincerely,

A handwritten signature in black ink that reads "Amy McKenna". The signature is written in a cursive, flowing style.
